

Think Out of The Box

# RazaRaise

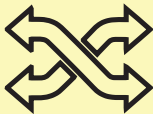

Creating a nature saving reusable solution outdoors

# RazaRaise

Creating a nature saving reusable solution outdoors

## Eco-safe

Protect grass or protect surfaces from event impacts. Also bio-degradable option available.

## Versatile

Interlocking feature creates a rigid structure with tiles interlocking. Easy to disassemble by lifting.

## Lighting Options

Can be created in backlit and self reflective options for signalling.

## Strong

Can carry a passenger car easily and supports large crowd events.

## Durable

Impact resistant, non-corrosive, smooth and easy to clean surface.

## Reusable

100% recyclable and usable in their original application.

## Light Weight

Low energy footprint, less material used. Easy to carry and mount.

## Colorful

A whole range of colors could be made, or patterned even by the client's design.
